

Pizza Fest!

ALSO-Cornerstone, Inc.'s thirteenth annual Greater New Haven Pizza Fest, held on June 19 - 20 and June 26 - 27 in partnership with the International Festival of Arts & Ideas, was once again a great success. As in past years, ALSO-Cornerstone sold pizza, beverages and Italian ice during the International Festival of Arts & Ideas free lunchtime concerts. Organized by consultant Vito Esparo with splendid support from the staff, Board, and a cadre of Corporate teams and individual community volunteers, the event generated much fun, good cheer, and lots of great pizza.
